

Hospital Overview: BrightSmile Dental Hospital, established in 2012, is a multi-specialty dental care center located at 21 Health Avenue, City Center. The hospital provides emergency services for dental trauma and severe pain. Free parking is available for patients visiting the facility.

Working Hours: The hospital operates Monday – Friday from 9:00 AM – 7:00 PM, Saturday from 9:00 AM – 5:00 PM, and Sunday for emergency appointments only. Online consultations are available after 7 PM.

Dental Services Offered: BrightSmile Dental Hospital provides a comprehensive range of dental services including general dental consultation and diagnosis, dental cleaning and scaling, tooth extraction (simple and surgical), root canal treatment, dental fillings, dental crowns and bridges, dental implants, orthodontic treatment (braces & aligners), teeth whitening, pediatric dentistry, gum disease treatment, and cosmetic dentistry procedures.

Estimated Treatment Costs: The consultation cost ranges from \$20 – \$40. Dental cleaning costs between \$50 – \$120. Root canal treatment ranges from \$200 – \$600. Tooth extraction costs between \$80 – \$250. Dental crowns range from \$500 – \$900. Dental implants cost between \$1500 – \$3000. Teeth whitening ranges from \$150 – \$400. Orthodontic braces cost between \$2000 – \$5000.

Doctors and Specialists: The hospital has a team of experienced specialists including Dr. Emily Carter, Chief Dental Surgeon and implants specialist; Dr. Daniel Lopez, orthodontist specializing in braces and alignment; Dr. Sarah Nguyen, pediatric dentist; Dr. Michael Brown, endodontist specializing in root canal treatments; and Dr. Olivia Patel, cosmetic dentistry specialist.

Facilities Available: The hospital is equipped with advanced facilities including digital X-ray and 3D imaging, sterilized surgical units, patient recovery rooms, children-friendly dental rooms, an online appointment booking system, an insurance support desk, and a pharmacy inside the hospital.

Appointment Process: Patients can book appointments through the website, phone, or walk-in. Upon arrival, reception collects basic patient information, followed by doctor consultation and diagnosis. A treatment plan is then discussed including cost estimates, and procedures are scheduled if needed.

Insurance and Payment Options: The hospital accepts major health insurance providers. Payment methods include credit card, debit card, and online payments. Installment plans are available for expensive treatments such as dental implants.

Patient Guidelines: Patients are advised to arrive 15 minutes before their scheduled appointment, carry previous dental records if available, avoid eating 2 hours before certain procedures, and follow post-treatment care instructions provided by the dentist.
